**RESULT OF THE DOCUMENTARY EVALUATION**

**ISSUED:** March 8, 2017

**EXPIRES:** March 7, 2018

Madam/Sir,

ECOCERT CANADA has reviewed the declared formula for the products listed below against the *National Standard of Canada on Organic Production Systems and Permitted Substances Lists* (CAN/CGSB 32.310-2015 and CAN/CGSB 32.311-2015).

ECOCERT CANADA have verified that all the declared ingredients appear on the *Permitted Substances Lists* (CAN/CGSB-32.311-2015) applicable sections and are compliant with any restrictions regarding their production and composition.

ECOCERT CANADA has also verified that the declared processes used in the manufacture of these products (and their ingredients) are compliant with section 1.4. of CAN/CGSB-32.310-2015.

When restrictions apply regarding the use of such substances, they are indicated in the table in annex.

We remind you that no reference to ECOCERT CANADA is allowed on the labels and promotional material of these products

This document is valid 12 months. A new evaluation is required every year.

Yours truly,

**Simon Jacques,**  
Input Verification Officer

Attachment: Annex of products

**Annex**
