DERIVED FROM: Steamed Bone Meal, Vegetable Protein Hydrolysate, Potassium Sulfate, Ferrous Sulfate, Manganese Sulfate, Zinc Sulfate, Sodium Borate, Kelp Extract, Magnesium Sulfate, Copper Sulfate

ALSO CONTAINS NON-PLANT FOOD INGREDIENTS:

3.0% Humic Acids (derived from Leonardite)

Organic Bloom Powder 6-8-12 is a plant food designed to improve soil conditions and optimize nutrition for plants. For use in the organic production of tomatoes, vegetables and fruits at bloom.

APPLICATION:

HOW TO APPLY: Organic Bloom Powder 6-8-12 is a powdered plant food that **MUST BE MIXED WITH WATER BEFORE APPLYING.**

WHEN TO APPLY: Start at the first sign of bloom development, feed plants at every second watering until harvesting is completed. During very hot or very dry conditions, moisten the soil before fertilizing.

FOR POTTED PLANTS (indoor/outdoor)	FOR OUTDOOR PLANTINGS
Mix 15 g per 5 L	Mix 30 g per 5 L

HOW MUCH TO APPLY: 5 L covers 0.5 m² (5.4 ft²) or the surface of 10 pots of 20 cm (8") diameter.

ATTENTION: Keep out of reach of children and animals.

Store out of direct sunlight in a cool, dry and well-ventilated area. Avoid breathing dust. Use protective eye and respiratory protection. Do not eat, drink, or smoke when handling this product. Do not allow to contaminate streams, ponds, lakes or other water sources.
